

Drug Free Communities Match Contributions

For the Month/Year of:

Under the DFC grant, APAC matches SAMHSA/CDC federal grant funds dollar for dollar. To accomplish this, we track community support of the Austin Positive Action Coalition (APAC) in the form of “in-kind” or "match" contributions as listed below. I acknowledge that I am providing my expertise when attending APAC programming as a representative of my sector.

Examples of MATCH Hours:

- Attend substance prevention training (webinar)
- Volunteer for coalition activities (Include 1 HR travel time or if more include actual time)
- Facilitate discussions about APAC || Our Work || Our tools i.e. conversation starters to parents
- Donate Supplies || Space || Equipment
- Facilitate trainings (Attendee hours may be eligible)
